

# CHURCH STEWARDSHIP SURVEY

*Insight Into Attitudes and Practices That Influence Your Congregation's Generosity*

When people donate to your church, do they think their gift is making a difference? How do church members think your leaders are doing when it comes to stewarding church dollars? What are the current financial priorities of your church members?

**The Church Stewardship Survey from Barnabas Foundation will uncover answers to these questions and many more!**

**The Church Stewardship Survey is a powerful ministry tool, both for assessment and communication.**

**Communicate a willingness to listen.** Convey your concern for what's happening in the hearts and minds of members.

**Establish a connection between beliefs and behaviors.** Remind believers that our daily decisions should reflect our values.

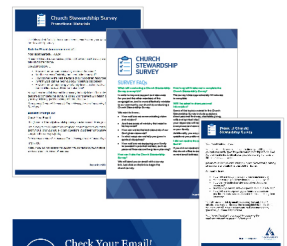

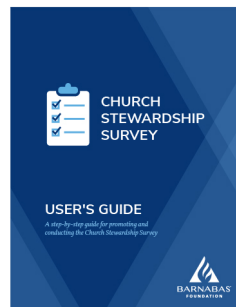

**Measure the effectiveness of programming and resources.** Identify areas of ministry strength and potential opportunities for growth.

**Identify a plan for improvement.** Bring your members into a deeper level of spiritual maturity, financial literacy and vision for reaching the world.

## What's Included?

Your customized church survey experience includes...

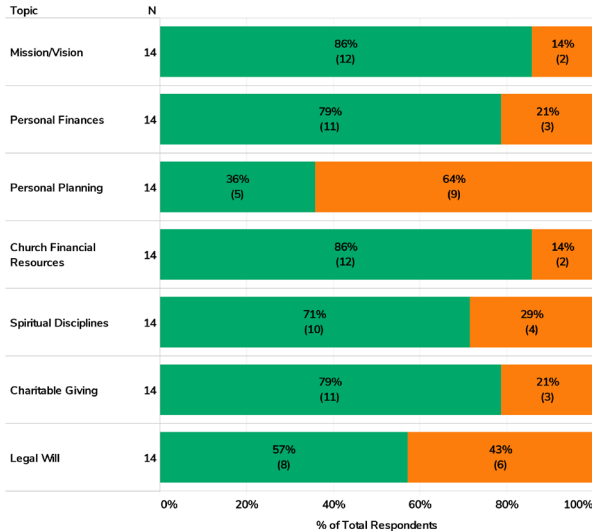

- A unique online survey that members of your congregation can take anonymously.
- Easy-to-follow timeline and step-by-step instructions to promote and execute your survey.
- Promotional materials to ensure widespread participation.
- A comprehensive report and next-step recommendations to help members grow.

Sample Church  
 Classis: N/A  
 Denomination: CRCNA

Overall results by topic

Survey Outcomes

Following the completion of the survey, we will provide you a comprehensive survey report, including:

- Overview report
- Demographic breakdown
- Survey results in six stewardship areas:
  - Church mission and vision
  - Personal finances
  - Church financial resources
  - Spiritual disciplines
  - Charitable giving
  - Will planning
- Customized recommendations
- Next steps and resources

*Your survey report includes a summary of your strengths and areas for improvement with recommended next-step resources.*
